U.S. Life Insurance Claims

Providing you with security and confidence to manage your insurance proceeds —

Total Control Account®

MetLife's Total Control Account® (TCA) can reduce the worry of having to make financial decisions while grieving the loss of a loved one. We pay the full amount owed to you by placing the proceeds from your life insurance claim into the TCA to provide you the time you need to best decide how to use your funds. TCA is comparable to an interest-bearing checking account, but it's so much more…

Benefits of your TCA:

Immediate access to funds

- Earn interest from day one
- Guaranteed minimum interest of 0.50%[1]
- No need for a separate bank account

Simple and flexible

- Fee-free Visa debit card/ATM card
- Ability to link to popular payment apps/services such as PayPal®, Venmo® or Square Cash℠
- Transfer funds from your TCA at any time without fees through ACH and bank to bank wires

Valuable account features

- No monthly maintenance or service fees*
- No ATM fees or charges for writing drafts, reordering drafts or making withdrawals

* Special services fees may apply only for the following: draft copies ($2), stop payment of drafts ($10), overdrawn TCA ($15), and overnight delivery service ($25.)

Ongoing support and service

- Dedicated US-based customer service team
- View current balances, recent statements and transactions any time via our online portal

Easy to set up and manage:

STEP 1 **File your claim and receive proceeds**

Once your claim is approved, MetLife will place the insurance proceeds into the new TCA account and send out an informational TCA Welcome Kit immediately.

STEP 2 **Access funds easily**

Access your insurance proceeds immediately through either the TCA Visa debit card or by writing a draft. You can use your TCA debit card at the ATM, with PayPal, Venmo or Square Cash. With your TCA debit card, there's no minimum transaction amount and any fees you incur using your TCA debit card are credited right back to your account! If you prefer drafts, you can access your funds in any amount of $250[2] or more. You can use your TCA account to pay your bills online or by phone and even set up recurring payments for things like your mortgage, car payment, gym membership and more!

STEP 3 **Manage your account**

Receive monthly account statements[3]. You can also designate a beneficiary for your new TCA account, as well.

GR-TCA-A (04/23) L0323030324[exp0325][All States][DC,GU,MP,PR,VI]

Other important information

- **You can use a single draft to access the entire amount, including interest, in the TCA at any time or several drafts for smaller amounts *(as little as $250)*. There are no limits on the number of drafts you can write. Processing time is similar to check processing.**
- **Subject to state law, and/or group policyholder direction, the Total Control Account is provided for all Life and AD&D benefits of $5,000 or more. The assets backing TCAs are maintained in MetLife's general account and are subject to MetLife's creditors. MetLife bears the investment risk of the assets backing the TCAs and expects to receive a profit. Regardless of the investment experience of such assets, the interest credited to the Total Control Account will never fall below the guaranteed minimum rate on your welcome guide.**
- **While your TCA is similar to a checking account, it is a draft account not a bank account. Your Total Control Account is backed by the financial strength of MetLife. While the funds in your account are not insured by the Federal Deposit Insurance Corporation, they are guaranteed by your state insurance guarantee association. The coverage limits vary by state. Please contact the National Organization of Life and Health Insurance Guaranty Associations (www.NOLHGA.com or 703-481-5206) to learn more. FOR FURTHER INFORMATION, PLEASE CONTACT YOUR STATE DEPARTMENT OF INSURANCE.**
- **The interest rate on your account is set weekly and will always be the greater of the guaranteed rate stated in your TCA package, or the rate established by one of two indices monitored by MetLife. We calculate interest daily and compound it, so you earn interest on your interest. The interest is added to your account monthly.**
- **The interest earned may be taxable.**
- **If there is no activity on your account for a period of time (typically three years, but this may vary by state), state regulations may require that we contact you at the address we have on file. If we aren't able to reach you, we may be required to close your account and transfer the funds to the state.**
- **A beneficiary may be designated if no designation has previously been made.**
- **We may limit or suspend your access to the funds in your account if we suspect fraud or if there was an error in opening your account.**
- **We use the services of The Bank of New York Mellon, 701 Market Street, Philadelphia, PA 19106, for Total Control Account recordkeeping and draft clearing.**
- **You may move all or a portion of your Account balance into any other settlement option for which you then qualify, provided your Account balance is above the $250 minimum balance requirement.**
- **A TCA generally is not available if the proceeds are less than $5,000, you reside in a foreign country, or if the applicant is a corporation or similar entity.**
- **If you do not want a TCA, you may request a check by writing "check" beneath your signature on the attached claim form.**
- **We may receive investment earnings from operating the Total Control Account. The performance results of any investments we make do not affect the interest rate we pay you.**
- **We recommend you consult a tax, investment, or other financial advisor regarding tax liability and investment options.**
- **To learn more about TCA, please call us at 800-638-7283 or write us at Metropolitan Life Insurance Company, Total Control Account, PO Box 6300, Scranton, PA 18505-6300.**

[1]Refer to your Customer Agreement for more details.
[2]Processing time is similar to check processing.
[3]If your account has no activity, we'll send you a statement once every three months. Each statement, whether monthly or quarterly, will include the current account balance, the interest credited, any drafts written, and any other account activity.
